Mini Football Leagues Match Day Procedure

- Home team must appoint a suitable person to act as game leader/referee
- This person is then acting on behalf of the Gwent County F A
- The game leader/referee should not officiate the game in the same way as competitive football. i.e. he/she should run a long the side of the pitch or a maximum of 5 yards inside the playing area. This is to enable the game leader/referee to see, at all times, the whole playing area so that the match can be stopped immediately if players get injured
- Officials must take a zero tolerance to foul and/or abusive language.
- Any player using foul and/or abusive language must be substituted immediately and cannot return to the game
- Any manager that uses foul and/or abusive language must be removed from the field of play and the game must not restart until the said person is back in the changing rooms or well away from the pitch. The person must be reported to the Gwent County FA. If this results in a team being without a qualified person in charge then the game must be abandoned and a report sent to the Gwent County FA Disciplinary Secretary
- All reports from referees must be sent to Mr P.W. Aston, Disciplinary Secretary, 'Brook Farm ', Bishton, Newport, Gwent NP18 2DZ
- Any official not adhering to the above will not be allowed to officiate in any further games
- The only reports that will be accepted are from the game leaders/referee and/or the club
- No reports will be accepted from parents or spectators
- If any other reports are required these will be requested by Mr Aston

Yours faithfully
