

News - Holders begin Regions Cup in Style

Gwent County kicked off their defence of the FAW Regions Cup in style with a convincing 6-0 win over the South Wales FA on Wednesday evening.

Richard Jeremiah of PILCS opened the scoring with just 10 minutes played to set the tone for the match.

Danial MacDonald (Rockfield Rovers) doubled the advantage on 14 minutes, before Kyle Bassett (Lliswerry FC) made it 3-0 on 24 minutes.

It was the same story after the break as Jeremiah scored his second (52'), with Lliswerry's Dean Merrett (67') and Chepstow Town's Daniel Saunders (85') sealing a fine win for the twice successive Champions.

West Wales FA are also in the same Group as Gwent and South Wales, with Central Wales FA, North East Wales FA and North Wales Coast FA in the Northern Group.

Regions will play each other twice over two seasons with the two Group Winners playing-off in the FAW Regions Cup Final in May 2012. The winner will represent Wales in the UEFA Regions Cup in 2012.
