3. Each goal should have a restraining semi-circle of 12 yards radius (adults), or 10 yards radius (under 13 years), from the centre of the goal. In certain League Competitions, in the event of teams finishing equal on points, goal difference should count, followed by highest goals for. If still equal, the winner should be decided by corners gained, then by the taking of five penalties by different players. If still equal the position should be decided by one team scoring and one team missing after having taken the same number of penalty attempts (i.e. sudden death).

62. MEMORANDUM CONCERNING SCHOOLBOYS AND SCHOOL GAMES:

One of the important aspects of games in school is the opportunity they afford of developing a boy's sense of loyalty and honour. It is, therefore, of concern when interest in games outside the school conflict with a boy's loyalty to his school and/or school's organisation activities.

1. It is usually the boy of outstanding football ability whose services are sought by any club, and he is most likely to be a member of the school or Association team. While schools' matches are often arranged on Saturday mornings and club matches take place in the afternoon, it is considered that a boy should not play in two matches on the same day, for the one match is likely to affect his play in the other.
2. An outside club or organisation should consult the head teacher before selecting any schoolboy to play for a team, and should accept the head teacher's decision on these matters. Head teachers of schools should not restrain boys, who are not selected for school games of any kind, from playing for an outside organisation during their free time.

2 CAUTION OFFENCES

A player who has been cautioned in any match will be notified through his/her Club by this Association, of the offence reported by the Referee. An administration fee as laid down by the Football Association of Wales will be charged for the processing of each report. It will be the responsibility of the club to collect the administration fee from the player.

3 SENDING OFF OFFENCES

a) **Notification**

A player who has been sent off in a match under the provisions of Law 12 will be notified through his/her Club by this Association of the offence reported by the Referee, and at the same time will be advised that he/she will be subject to the agreed standard punishment (see Section 4). An administration fee as laid down by the Football Association of Wales will be charged for the processing of each report.

b) **Claims of Mistaken Identity**

In the case of a claim of alleged mistaken identity concerning a player cautioned or sent off in a match, the player concerned and his/her Club must within **THREE DAYS** of the said match submit in writing to this Association, particulars upon which the claim is founded. If the disciplinary Secretary of the Gwent County Football Association, or his nominees, are satisfied that the claim warrants further investigation, A Disciplinary Commission shall be convened and will meet within fourteen (14) days before any automatic penalty is due to take effect. If the members of the appointed Commission are satisfied that mistaken identity has been proved in a case, the record of the offence will be transferred to the appropriate offender, who will be subject to disciplinary action in accordance with the provisions of the current procedures.

c) **Claims of Wrongful Dismissal**

In a case of a claim for wrongful dismissal for violent conduct or serious foul play, which carries a **3 MATCH SUSPENSION**, evidence upon which the claim is founded must be submitted by the player concerned and his/her Club and be received by this Association within **THREE DAYS** of the match, together with the relevant fee (see below). If the Disciplinary Secretary of the Gwent County Football Association, or his nominees, **are not satisfied** that the claim warrants further investigation the Match Officials' decision of the punishment will remain. If the Disciplinary Secretary of the Gwent County Football Association, or his nominees, **are satisfied**, that the claim does warrant further investigation, they may in the first instance forward the evidence to the Match Official concerned who will be asked to review the evidence and inform the Gwent County Football Association if he/she concedes the Player should not have been sent from the field of play. If the Match Official **does** indicate that he/she was incorrect in the action taken, the offence can be reduced to a caution or expunged from the record of the Player and Club.

If the Match Official, after reviewing the evidence, is still of the opinion that his/her decision was correct, the Disciplinary Secretary, or his nominees can:-

- i) Confirm the decision and the punishment awarded or
- ii) Ask three members of a Disciplinary Commission to sit and meet with the Player, a representative of the Club, the Match Official(s) and any person deemed necessary within fourteen (14) days before any automatic penalty is due to take effect.

If after presentation of all the relevant evidence:-

- i) The Match Official(s) concede the Player should not have been sent from the Field of Play, or
- ii) The Members of the disciplinary Commissions are of the opinion that the evidence indicates that special consideration should be given in the matter,

The Commission shall have the discretion to decide what action, if any, be taken in the matter.

The relevant fee which is referred to above and which must be included with the submitted evidence is as per the current appeal fees as set out in the Gwent County Football Association Rule 46.

This fee may be forfeited if the claim is deemed to be unfounded or is dismissed by a Disciplinary Commission.
