42.19 EXPLANATORY NOTES

The mini-football rules contained in this handbook are based on the football Association of Wales requirements for mini football.

Mini-football is non-competitive and therefore it is not important that clubs play each other on a home and away basis. Also the usual sanctions for breaking fixtures and playing ineligible players etc. cannot

apply.

However each team that makes a commitment to entering into the organisation of mini-football must recognise that it has certain responsibilities towards the league and other member clubs.

Clubs may well end up hosting sessions on a home and away basis but this is mainly to ensure that the work required in preparing the pitch and pitch hire costs are spread equally across all teams.

Clubs/Teams that persistently break the rules may be expelled from membership of the league subject to the usual disciplinary procedures.

42.20 OTHER

- a) Club and team officials must ensure that every player in the team gets an equal opportunity. Winning is not important.
- b) Officials and spectators are asked to encourage the players at all times.
- c) Club and team officials must consider weather and ground conditions very carefully before games go ahead.
