FAW Public Liability Insurance Scheme

This leaflet provides a brief summary of the features, benefits and limitations of the cover provided by the SBJ Sports FAW Liability policy, underwritten by Sportscover Europe Ltd. As this is a summary of cover it does not include all the policy benefits, limits and exclusions. Full terms, conditions and exclusions are shown in the master policy document, a copy of which is available on request or on our website: www.countycover.com (available from 1st July 2008).

What is the FAW Liability Scheme?

This Liability Insurance Scheme is designed to indemnify the Directly Affiliated Leagues (DAL) and its clubs (with the exception of the Welsh Premier League teams), Area Associations and its affiliated member club/leagues and referees. By arranging cover as a block insurance scheme it means that premiums are more affordable to clubs and leagues at the lower levels of the game.

This scheme primarily provides **Public Liability Insurance**. A club / league can be held legally liable if it is proven that it was negligent or failed to take 'reasonable care' to prevent injury to a member of the Public or members of the club/league or damage to third party property.

Public Liability Insurance is designed to pay compensation and legal costs that arise if the club / league or any of its members are found to be at fault. This cover is not to be confused with Personal Accident Insurance.

For season 2008/9 additional covers are available, and these covers are

- **Employers Liability**
- **Officers and Committee Liability**
- **Professional Indemnity**

Please see the back of this document for details of these covers.

Is the FAW Liability scheme cover adequate for my club/league?

The scheme is designed to cater for:

- the Area Associations
- directly affiliated clubs and leagues
- grass roots clubs and leagues
- affiliated referees including stand-in referees (other than European Games)

PLEASE NOTE: Cover is not provided for Welsh Premier League teams.

It is also important to note that for clubs and leagues that operate a licensed premises, cover for this aspect of the operation is not provided and separate cover should be sought.

We can provide quotations for the operation of licensed premises including Combined Insurance packages for Buildings, Contents and Employers Liability if required.

Are there any excesses?

Public Liability: £100 for each and every claim in respect of Damage to Property only. This is reduced to just £25 in respect of claims made for damage to glass/windows.

Employers Liability: £Nil

Officers & Committee Liability: £250

Professional Indemnity: £100

The period of insurance

This SBJ FAW Liability Scheme provides cover for 12 months from **1st July of each year (or the date of affiliation, whichever is the later)**. The scheme is annually renewable on the 1st July the following year.

Are club tournaments & fund raising events covered?

Legal Liability arising from club fund raising and tournaments are covered with up to 5,000 attendees per day but excluding hazardous events such as fireworks, driving events, bouncy castles, water sports, anything at height – above 3 metres (e.g. bungee jumping).

However, **the policy can usually be extended by contacting SBJ Sports, subject to an additional premium**, and events are reviewed on an individual basis depending on their size and nature. Most tournaments will need to be sanctioned by your County Football Association.

Cover, features and benefits

As a club/league officer, committee member, director or trustee you accept ultimate responsibility for directing the affairs of your club or league, ensuring that it remains solvent, well run and meets the needs for which it has been established. Delegating responsibilities is common, however as an officer, committee member, director or trustee you retain the ultimate responsibility for any decisions or action taken, for example accepting new members or directing how club funds are to be used.

Clubs and leagues can be subject to a large number of rules and regulations. Officers, committee members, directors and trustees also need to be aware of these requirements and must ensure that the club or league complies. What you have to comply with will vary depending on your activities or your size. Examples include compliance with:

- legislation concerning racial, sexual and age harassment and discrimination,
- employment law for any club/league employing staff (this may include volunteers),
- Health and Safety including that relating to employees, club or league members and the general public.

The following includes cover (up to a limit of indemnity as specified on the Evidence of Insurance that will be issued by your Football Association) for officers and committee liability and professional indemnity with a separate limit specifically for claims brought against individuals. Helps to ensure your personal assets are not at risk from a claim against a club or league.

- Claims brought against officers, committee members, directors and trustees for wrongful acts.
- Legal costs for allegations of breach of Health & Safety legislation including corporate manslaughter

Main Exceptions:

- The first part of any claim (your excess).

- Breach of contract
